## Woman's Club of Coconut Grove

### Scholarship Program

#### Overview:

The Young Artists' Gallery is a juried art exhibit and contest open to high school students of Miami Dade county public schools. The Woman's Club of Coconut Grove established YAG in 2001 as an annual event designed to provide exhibition opportunities for talented high school art students, to learn about careers in the visual arts and to offer support and encouragement for young talent by giving them the opportunity to show their work to art patrons and to see how their work can be marketable. **The Woman's Club awards over \$10,000 in scholarships to deserving students every year.** The Art Education Office of Dade County pre-judges the artworks submitted and selects the finalists, which will be displayed at the Woman's Club of Coconut Grove the second weekend of March. The artists in the exhibit will be able to offer their work for sale if they wish. Finalists and scholarship winners will be honored at a prestigious awards reception held at the club Saturday, March 13<sup>th</sup> from 2:00 to 4:00PM.

#### Awards:

The Woman's Club will award several scholarships ranging from \$1,500 to \$3,000. Ten students will receive Honorable Mention Awards along with \$100 prize.
