*Intestines*, painting by Mira Sadorge

Recipient of the “**Korth Family Foundation Scholarship**”

Mira and her family are extremely grateful to have been able to use the \$3000 scholarship this past summer for a college art program at the Kansas City Art Institute. This young artist was able to earn college credits and valuable

experience thanks to this wonderful program. Mira is currently a junior at the New World School of the Arts where she continues to develop her talent with the support of her family, her teachers and the community.

The Young Artists’ Gallery (YAG) is an annual Juried Art Show hosted by the Woman’s Club of Coconut Grove in partnership with the Miami-Dade County Public Schools.

Since 2001, this program has provided exhibition space and college tuition scholarships for many talented high school art students from all over the county. We are looking forward to the YAG 2019 show, which will be held on March 9<sup>th</sup> and 10<sup>th</sup> at the Woman’s Club of Coconut Grove, a historic landmark in the very heart of Coconut Grove.

*This school year we want to continue the legacy in providing high school art students with the opportunity to exhibit in a professional setting; earn confidence and much needed help with college tuition.*

*Please consider making a donation to underwrite one of these very worthwhile scholarships. Your sponsorship can make a big difference in the life of a student that would otherwise be discourage to make the decision to attend an art college.*

*With your help, we can bring hope to deserving students and their families. Help reduce the college debt for the artists of tomorrow. Give them a chance to succeed.*
